

# Health, Wellness & Going Green Fair

*Presented by the Random Lake High School Science Club*

**When: April 12th 11 am - 3 pm**

**Where: Random Lake School District**

- 50+ Interactive Student Exhibits & informational booths
- Healthy food samples & lunch options
- Experience a spins class, “Insanity,” Zumba, climbing a rock wall, or riding in an electric car.
- Demonstrations in martial arts and learn how the NFL trains.
- Tour the high school aquaponics
- See how much power you can generate on a “pedal power bike” or “hand crank generator.”
- See how to turn garbage into art.
- Learn about our upcoming E-Cycle event.
- Silent auction for recycled art.
- A raffle for a chance to win prizes including a \$500 bike.
- Buy raffle tickets: 50¢ or 5/\$2 Or bring TerraCycle Items and earn free raffle tickets.
- For more information on what currently qualifies as TerraCycling or to learn more about the fair visit: <http://rlhsscienceclub.weebly.com>
